When you have intermediate building knowledge to put to use and a limited area to fill within your outdoor living space, the Serenity 150 fireplace makes for an enjoyable D-I-Y project and an elegant addition to your home. Similar to the Serenity 100 in ease of installation, the Serenity 150's added height provides an extra touch of visual flair. *(Note: All of our D-I-Y kits are available in additional colors through special order. Ask your General Shale Sales Representative for more details.)*
