“Stacker” 200 Wood Box

PART NO. WBX-200

DIFFICULTY NOVICE

DIM. 3'W x 2'D x 3'8"H

OL-BRO-0044-0914

If you really want to dazzle your guests with your Serenity 200 fireplace, consider adding the simple, yet elegant Stacker 200 wood box to each side. In addition to its aesthetic charm, the utility found in added firewood storage space guarantees you're always ready to entertain. Novice-level building knowledge is required for installation. *(Note: All of our D-I-Y kits are available in additional colors through special order. Ask your General Shale Sales Representative for more details.)*
